**Author: Atep Nurdjaman, DR™**

*Researcher-Independent for revealed unarranged theory in fields of organic chemistry and biology and also revealed the mistake(s) and wrong in my bible (Noble Qur'an, Al-Qur'an)*

The words of Go For Get Knowledge To China Country that many times hear by us get from teachers who teach Islam matters, and from others, based on left side direction of truth is BIG WRONG, why so that?, because based on my(Atep Nurdjaman, DR™) research finding the words doesn't has value in true in basic. Theres many reasons why the words exist, :

1. The words of Go For Knowledge To China the source is not coming from Islam, even exist mentioned by do someone definitely only just lie
2. The words of Go For Knowledge To China has meaning to push someone go to China and study in China, that time when this word appears the peoples doesn't know better that China is country with level in knowledge so high that can categorized as destination country for study
3. The words of Go For Get Knowledge To China just only as word is more worst in goal and meaning
4. The words of Go For Knowledge To China has meaning to push someone go to China and study in China, the truly goal of this words is for businessman of Arab who rich as invitation to come to China for study and to do business and goal is China get value in economic matters. This goal has been get appreciate and reached and noted in economic history as achievement, China famous as country who has path way of business; Silk Road; as achievement
5. THE MOST IMPORTANT, the words of Go For Get Knowledge To China has meaning to push someone go to China and study in China, the main goal is as invitation to peoples come to China and live in China for study about communism. This goal success, now communism as trendsetter in around the world, in Indonesia famous by do PKI (Partai Komunis Indonesia, In English, Indonesian Communist Party) and others of party and also varians-his who support communism.

**COMMUNISM** is ideology who given result as danger matters for human in anywhere including Indonesia, history prove that PKI (Partai Komunis Indonesia, In English, Indonesian Communist Party) in way of direct has been takeover any life part of Indonesian peoples (years 1960-around until 1970-around), the history note that PKI (Partai Komunis Indonesia, In English, Indonesian Communist Party) has been eliminated in Indonesia. Believe or not the Indonesia Country has been lead by do communist person that is Ir. Soekarno (former President of Indonesia, now). As we know, the country who lead by do communist person will given impact applied that every rule and think-product/ideology considering communist will fast spread. How many the numbers of community of Communist or peoples of PKI (Partai Komunis Indonesia, In English, Indonesian Communist Party), only Ir. Soekarno (former President of Indonesia) who know the numbers exact, whos them (see my flash of explanation of me-myself(Atep Nurdjaman, DR™) on my next scientific work paper).

Test of case who doing by do members of PKI (Partai Komunis Indonesia, In English, Indonesian Communist Party) has been recognized by do all of peoples in all of media in television, in radio, in newspaper, in internet and others for the existing of them in Indonesia especially by do spread information for test the content is about PKI (Partai Komunis Indonesia, In English, Indonesian Communist Party) or about communism by do every 5 (five) years or every 10 (ten) years, why do that, because they waiting the outbreak of communism, they use hit and run methods now, so to see clearly the how big the success of them to spread ideology of communism to Indonesian peoples only by that methods, hit and run, are they success?, I believe they success, bid success or small success is matters of numbers, the minimum of numbers what they want could be maybe has been reached.

How the situation of Indonesia peoples now, step by step slide little in progress through hide message, Indonesian peoples has been get influence without denied with communism methods through all of media, television media, newspaper media, or even internet media and also others, how the shape of conspiracy of communism?, see and observe every news in media of television, media of newspaper and others and see the theme:

1. Them-communist peoples, peoples of communist always use word in do repeated the log, meaning that they always repeat every situation who past with one goal to give influence to peoples of Indonesia about what happen in past by do way repeat every what happen in others shape but same meaning, or the goal is to covered what happen in past who make them lose by do repeated the log so the peoples of Indonesia doesnt remember anymore to what happen in past or the mind and thinking change, i.e:
  1. We have been many times see the numbers of 5 or multiplicity of hundreds or thousands and continued, 500, 5,000, 50,000, 500,000, 5,000,000, or numbers of 1,000, 1,000,000, or now recently come out the numbers of 6,000 and continued. Why they doing that? One of goal is to stop the meaning of that numbers who come out by someone as first person mentioned in tell the numbers, that someone off course clear not coming from community of communist or community of PKI (Partai Komunis Indonesia, In English, Indonesian Communist Party).
  2. We have been many times see the case of bomb terror in everywhere, that is one of conspiracy of peoples of PKI who doing attack spread-hit to community of non-communist or community of non member of PKI (Partai Komunis Indonesia, In English, Indonesian Communist Party).
  3. To boost (to shown always in do) singers so they always making show in every of television and doing concert in term one years even they maybe could be un famous in Indonesia community, after finish in one years they replaced by do give boost to others singer . This also happen to actress and actors. What goal should get by them?, they want the community of Indonesia always changing the idol, so the community of Indonesia doesn't get influence in term good from singer or other of person who famous in one years, perhaps they think the peoples doesn't look back to the past.
  4. To boost (to shown always in do) the public figure in community of Indonesia that coming from one side-famous with do same of methods who mentioned in point 3, and re-appears do in term after first, with goal get as political agenda.
  5. To shown with ways do repeat the log every agenda with specific theme in do get goal to give influence push in meaning without doubt to community of Indonesia
  6. To boost matters of the faith in dualism in moslem community of Indonesia so they become person who has thinking and mind that god more than one or even go heading to as person who has thinking and mind that theres no exist the God.
2. They-communist peoples always says with specific word when the get matters of influence from someone and doesn't give attack-back even they know that they lose by do says my right or others.
3. They-communist peoples always give new idea with ways to do in easy of everything with goal is can-did do reached the purpose.
4. They-communist peoples always give new ide to stand with proud the Islam Country in Indonesia or world as ways to covered the ideology of communism or ideology of PKI (Partai Komunis Indonesia, In English, Indonesian Communist Party)-his.
5. They-communist peoples always give new idea of Law of District considering Islam Law or Law of District who has meaning in term contents who Islam influence to the law, see Aceh who destroy by do Tsunami as prove the punish of Allah SWT-God to community of unbelief persons to Allah SWT-God who exist in Aceh in do before the unbelief to Allah SWT-God has been hide or covered by do law of Islam and application .
6. They-communist peoples always give new idea to introduce the words who has sound of Islam close to community without explanation the meaning clear or covered by do meaning in word-nice.
7. They-communist peoples always give new idea to introduce the word of syariah in anywhere as first step of global conspiracy, definitely added by do meaning in word-nice.
8. They-communist peoples always changing the meaning of rules in Islam, last do in observe by me-myself(Atep Nurdjaman, DR™) saw in Talk Show in Metro Television In Indonesia the date February 01, 2007 around 2 at noon with topic the involve of Rumah Zakat, the CEO says and explain about rules in Islam with meaning change heading to undefined rules considering Zakat (obligation of moslem to give the own matters to poor peoples), the purpose of Zakat has been far away change of goal who different from the meaning and goal of Zakat that teached by do Allah SWT-God first time. CEO of Rumah Zakat mentioned that Rumah Zakat has been collect money from society of Islam in Indonesia and used for to on do training and education by do provide scholar and others. The meaning of Zakat that coming truly from Allah SWT-God is own matters that should gived to poor peoples as obligation as shape of follow order of Allah SWT-God.
9. Many rules in Islam who change to others meaning by do communist peoples or unbelief persons to Allah SWT-God or by do PKI (Partai Komunis Indonesia, In English, Indonesian Communist Party) who has goal in term ideology for spread is to changing of moslem or peoples of Islam and peoples of Christ and also peoples of Jews in Indonesia and around the world to become unbelief persons to Allah SWT-God.
10. They-communist peoples has been success and continued to influence the intellectual community especially college students by do put them in box separate in term the activity and goal and also they part as balancer, theres no come out any kinds of topic in mass media, television, radio and and others who coming from them now, why, because the college student has been silent in do push by communist peoples in term part of them in anywhere, the part of students in do as control to society gived to wrong direction heading to somewhere controlled by communist peoples heading only in region not in national spread meaning for goal. The college students in Indonesia has been in jail covered by do communist peoples or by do community of PKI (Partai Komunis Indonesia, In English, Indonesian Communist Party), in progress worst in anykinds of meaning.
11. They-communist peoples has been success and continued to influence MUI (Majelis Ulama Indonesia, In English, Commitae Of Society Of Islam Leader Indonesia), and give result as output of MUI by fatwa MUI who not based on laws of Islam in clear meanings of law especially the fatwa MUI about the prohibit of married by do moslem with non-moslem, but the fact in clear that (see my(Atep

Nurdjaman, DR™) result research about book of Al-Qur'an dan Terjemahnya, In English, Al-Qur'an and Translation-His) person moslem can do married woman who has faith as Christ or woman who has faith as Jews (see QS: Al Maa-idah (5) : 5 )

12. They-communist peoples always give new idea to introduce the words of Jihad who used in do unfit into meaning and translation, word of Jihad should in do purpose to depend of Islam and Laws-His to conspiracy of unbelief persons to Allah SWT-God or others who want the fall down of Islam and break. They-communist peoples want change the rules in Islam step by step slide in progress.
13. They-communist peoples cut the part of President of Indonesia and Vice President of Indonesia in duty-in do, by do:
  1. Formed the DPRD and DPD in each of region, who has function to eliminate the part of them (is President of Indonesia and Vice President of Indonesia) step by step slide in progress without doubt in duty of them.
  2. Independency of duty in region (in Indonesia, otonomi daerah) who act through do in out far away from rules, with goal by do communist peoples to cut the duty of them (is President of Indonesia and Vice President of Indonesia) in every region in Indonesia.
  3. To use legally in do select of governor in direct choose by peoples through general election mechanism, with they-communist peoples goal is governor who selected by peoples direct doesn't follow every power influence to governor from them (is President of Indonesia and Vice President of Indonesia)
  4. To boost the duty part of members of DPR and also DPRD more big than them (is President of Indonesia and Vice President of Indonesia) in term give policy of Indonesia Country, for example, about finance of country of Indonesia, and etc.
  5. To degradade do in the level of intellectual of members of DPR and also DPRD, by do observe and judgment to them by me-myself(Atep Nurdjaman, DR™) that the most of members of DPR and also DPRD has education only in level of high school or the most high is first or second in level of undergraduate, this explanation in do before is my(Atep Nurdjaman, DR™) result observation to every comments and others of members of DPR and also DPRD who shown the level of intellectual same as the intellectual of students in high school, me-myself(Atep Nurdjaman, DR™) is format lecturer in University of Padjadjaran in Bandung in Indonesia who know how measure by manage do in method as scientific research facing to the level of intellectual of persons, me-myself(Atep Nurdjaman, DR™) is educationer. With in the level of intellectual of members of DPR and also DPRD who shown low in term for to do big job the President of Indonesia and Vice President of Indonesia busy with they agenda without support by do the members of legislative.
  6. Think in consideration of part and in charge of duty of members of DPR more big than President of Indonesia and Vice President of Indonesia in term policy to inside and outside of Indonesia (talk show in TVRI at end of 2006 as prove-his, the keynote speakers is members of DPR who wearing hat in style of Arabian) with in clear and load of explanation about Indonesia Political Policy by do free and active in decision. The members of DPR RI who think in consideration can do with fast and without doubt to take decision in term relationship of Indonesia and others of country in do policy of government of Indonesia, the fact the relationship of Indonesia and others of country manage by do Department of Foreign Affairs with duty in charge is Minister of Foreign Affairs not by do induty of members of DPR RI, case-action of members of DPR RI is by do threatening the relationship in do cut by doing close the area of Indonesia for all of ships of Australia in East of Indonesia and anywhere, the case-action of members of DPR RI do in Australia. As remember of my thinking in term opinion that diplomatic relationship between countries and also policy only do by job induty of Minister of Foreign Affairs and also by do Embassy of Indonesia in Australia. As remember of my thinking in term opinion-2 that part and in charge of duty of members of DPR and also DPRD is just like do in mentioned in Law of Constitution Of Indonesia or famous in name as UUD 1945 who has get revised for four times in term amendment, especially in term make the rules, the rules who put in below of Law of Constitution, not in duty for arrange direct the relationship of Indonesia with others of country in duty in mistake by do members of DPR and also DPRD.
  7. The right in term true that Indonesia budget for manage Indonesia territory is 900 trillion rupiah that this information gived by do spread for accept by do society, but the reverse do in act is wrong only just word, by this numbers the communist peoples or community of PKI (Partai Komunis Indonesia, In English, Indonesian Communist Party) has been take over in secret the policy and duty of government of Indonesia, numbers of 900 trillion rp gived as information to society, but the fact the money probably not in this earth, now , I think the Indonesia budget based on the available or not of money that get and keep in government. The budget of Indonesia should manage by do after success in age of Soeharto (now, former of Indonesia President) in do by based on of money who available in government who the source and use determined in correct. We saw that Indonesia government has been shown in difficult when provide money who in numbers is small when in circumstance of emergency after Indonesia get catastrophe. The impact of that situation in do explained by me-myself(Atep Nurdjaman, DR™) before is necessary think by do in thinking of government of Indonesia should mentioned about the money for emergency after Indonesia get catastrophe as contents in proposal to get money from IMF (International Monetary Fund), is that right?:as prove that RI country doesn't has money to do for applied the program that gived by do MPR.
  8. They-communist peoples cut the image person appear in duty as in charge of President of Indonesia by do mass media who controlled by people(s) of communist or by do of community of PKI (Partai Komunis Indonesia, In English, Indonesia Communist Party) with ways to spread news considering part in duty of President of Indonesia in case of North of Korea and South of Korea who say by them-communist peoples that Indonesia has been as duty incharge to manage the conference in Bandung considering the case in years 2006, last years, the fact is not true, the fact that saw by me-myself(Atep Nurdjaman, DR™) in news of television in same channel that President of RI doesn't has part even small in case of North of Korea and South of Korea.
  9. They-communist peoples cut the image person appear in duty as in charge of President of Indonesia by his program the name is BLT considering give money to poor peoples and also the others of President of Indonesia program in term finish the poor matters that appears in persons of Indonesia, the fact that the Indonesia President program to finish the poor matters that appears in persons of Indonesia who saw in massif in numbers;millions is impossible by ways of BLT but by do open in wide the opportunity of job, that is common theory that accept in do in anywhere in around the world. BLT usually for homeless peoples and kid in street without care and attention from society. With the program BLT will form image of person as President of Indonesia who not sensitive in poor matters but act as in duty for covered the poor matters. Not only happen to BLT but also the others.

The items that mentioned above is ways or methods that used by do communist peoples or by do community of PKI (Partai Komunis Indonesia, In English, Indonesian Communist Party) who famous in danger matters considering ideology of communist or communism.

Do you know the goal of ideology of communist and ideology of PKI (Partai Komunis Indonesia, In English, Indonesian Communist Party)? The answer is them-communist peoples or peoples of PKI (Partai Komunis Indonesia, In English, Indonesian Communist Party) spread the ideology of unbelief to Allah SWT-God in anywhere, the-communist peoples spread the ideology in do unbelief to Allah SWT-God, they-communist peoples against the peoples of Islam and peoples of Christ and also peoples of Jews who inside of Moslem and Christ and also Jews believe to one god that is Allah SWT-God.

How many the numbers of communist peoples now or how many in numbers of peoples of PKI (Partai Komunis Indonesia, In English, Indonesian Communist Party) in Indonesia especially?, the answer is, just like we think and know that this country has been lead by do president that coming from communist peoples or community of PKI (Partai Komunis Indonesia, In English, Indonesian Communist Party) who has ideology of communist inside his who famous as person of Ir. Soekarno, in guest in do spread the ideology of communist by do Ir. Soekarno, if do guest continued that Ir. Soekarno give teach-lesson the communism to sun or daughter, for example to Megawati Soekarnoputri who has been finish to become President of RI (very match yach), so can do guest could be maybe the numbers of communist peoples or peoples of PKI (Partai Komunis Indonesia, In English, Indonesian Communist Party), why so that, becaused Megawati Soekarnoputri who ex-President of RI and now also as General Chief PDI Perjuangan party will spread do the communism or ideology of PKI (Partai Komunis Indonesia, In English, Indonesian Communist Party) to members of PFI Perjuangan party and peoples of Indonesia who supported do to PDI Perjuangan party.
